Journey's end is Cape Town, the Mother City of South Africa, cradled by the imposing bulk of Table Mountain, Devil's Peak and Lions Head. Highlights of the north and southbound routes include a visit to the historic village of Matjiesfontein. This authentic perfectly preserved Victorian Village, which was founded by Mr Logan as a refreshment stop in 1890, also boasts an impressive museum on the platform.

No luxury or detail has been overlooked to create a tranquil haven and a truly unique wildlife experience. Guests are assured of personal service around the clock. Gourmet chefs prepare excellent cuisine and our wine cellar is stocked with exclusive vintage wines.

A wildlife world of adventure awaits our patrons on game drives and bush walks, from Landrovers or in private hides. Guided by experienced, knowledgeable rangers, guests can view big game, such as elephant, lion and rhino or relish more intimate encounters with other fauna and flora. Sediba consists of two all-suite lodges; Letlapa and Letlapala. Guests are welcome to stay at either of the two lodges as both provide an equal source of wellbeing and complete relaxation. The lodges are separated by a gravel road and are a ten minute drive apart from one another.

Welgevonden is one of the largest privately owned reserves in South Africa, covering 37 000 hectares of pristine bushveld in the malaria-free Waterberg region. Welgevonden is home to over 50 different mammals, including the Big Five, and boasts one of the largest populations of white rhino on a private reserve anywhere in Africa. There are rare and unusual species too, such as brown hyena, aardwolf and aardvark. It is the diversity of habitat on the reserve that encourages such a wide range of wildlife as well as over 300 bird species.

No private vehicles are permitted, which ensures minimal human impact and the ultimate wilderness experience. Historically, wildlife on the reserve has never been hunted so game viewing is always up close and personal. There is also ancient and delicate Bushman rock art on Welgevonden.

We offer two exciting game drives daily (only one is included in this package). Morning drive starts at 06.00AM with a coffee/tea stop during the drive. Breakfast is served upon returning. Afternoon drive starts at 16.00PM including a sundowner stop with drinks and snacks. Private game drives can be arranged upon request and an extra charge.

Guided walks are offered, usually in the mornings after breakfast, but can be arranged at other times. Guests will be briefed before their excursions into the wild. The rangers will give informal tuition regarding the procedures to be adhered to on the guided walks.
