FIRST CLASS TRAVEL

Rovos Rail

STEP ABOARD THE PRIDE OF AFRICA, THE WORLD'S MOST LUXURIOUS TRAIN,
AND BEGIN A JOURNEY TO SOUTHERN AFRICA'S MOST SPECTACULAR DESTINATIONS

Since its establishment in 1989, Rovos Rail has earned an international reputation for its truly world-class travel experiences. Step aboard the wood-panelled coaches – classics remodelled and refurbished to mint condition – and enjoy fine cuisine in five-star luxury as some of the most varied scenery imaginable unfolds beyond the windows. Recapture the romance and atmosphere of a bygone era when privileged travellers experienced the magic and mystery of Africa in a relaxed and elegant fashion. In a series of train journeys lasting from 48 hours to a month, the Pride of Africa links some of Africa's greatest destinations from Cape Town, at the tip of Africa, to Dar es Salaam in Tanzania, from scenic splendours as diverse as the game reserves of Mpumalanga to the Victoria Falls, from the desert landscapes in Namibia and the stark beauty of the Karoo to the lush cane fields of KwaZulu-Natal and the magnificent Garden Route along the Cape south coast. The trains – which may be hauled by steam, diesel or electric locomotives at various stages of the journey – carry a maximum of 72 passengers in 36 superbly appointed suites. Pride of place in the Rovos stable goes to the historic and restored Capital Park Station and locomotive yard, which is the heart and headquarters of this private railway company.

*"I never travel
without my diary.
One should always have
something sensational
to read in the train."*

"Golf is a game whose aim is to hit a very small ball into an even smaller hole with weapons singularly ill-designed for the purpose."

LIFE ON BOARD

Cuisine

LIFE ON BOARD IS SIMPLE, ELEGANT AND ENTERTAINING

An enthusiastic team of chefs is responsible for overseeing the very important task of ensuring guests' every need is catered for. There's an accent on fresh local ingredients and traditional dishes such as game are a specialty. Every morning there is a full breakfast with dishes cooked to order as well as a tempting breakfast buffet. For lunch and dinner there is a starter and a choice of fish, meat or vegetarian dishes followed by a delicious dessert, and meals are complemented by a selection of excellent South African wines. All meals are served in one sitting only in the charming Victorian atmosphere of the dining cars. Many of the passengers aboard the Pride of Africa enjoy the formality of fine china, crisp linen and silver, and dress accordingly. During the day dress is more casual with cool, comfortable clothes and hats recommended for the excursions, especially in the game reserves where it can get very hot. The Observation Car seats 32 passengers and is positioned at the rear of the train. At the centre of the train we have, when numbers dictate, a non-smoking Lounge Car that seats 26 passengers in comfort. A smoking Club Lounge is placed next to the observation car and seats 11. Maintaining the spirit of travel of a bygone era, there are no radios or television sets on board.

"There is nothing like a comfortable adventure to put people in a good humour..."

~ PETER MAYLE
